Summary

Eager to learn and grow as a .NET Developer, with hands-on experience in web and desktop applications. Skilled in building responsive websites, web apps, and Windows Forms solutions using HTML5, CSS, JavaScript, React, WinForms, and .NET with Strong foundation in OOP, and SQL, with a problem-solving mindset and commitment to clean, maintainable code.

Skills

- Languages: C#, HTML5, CSS, JavaScript
- Frameworks & Libraries: ASP.NET Core, Blazor, ASP.NET MVC, WinForms, ADO.NET
  React, Bootstrap, Tailwind CSS
- Databases: SQL Server, MySQL
- Tools: Git, Visual Studio, VS Code
- Concepts: OOP, REST APIs, MVC Architecture, Razor Views, Desktop Application

Projects

E-Commerce Website (MVC)

  Technologies: ASP.NET, HTML, CSS, JAVASCRIPT

- Developed a full -featured web application with an administrative dashboard
- Implemented user authentication and product management functionalities
- Enabled user registration and seamless purchase process
- Designed backend panel for efficient product management

Contact Management System (WinForms**)**

  Technologies: C#, .NET (WinForms), SQL Server, ADO.NET

• Built a **desktop application** to manage contacts with full CRUD functionality

• Implemented a **Contact List** (DataGridView) to display all stored contacts dynamically.

• Added a **search feature** with filtering by first name, last name, address, or phone number.

• Utilized **SQL Server** and **ADO.NET** for database operations.

Restaurant Management System (MVC)

  Technologies: ASP.NET, HTML, CSS, JAVASCRIPT

• Built a web application for managing menu items, reservations, and orders

• Implemented full CRUD operations for menu management

• Used Entity Framework Core for database interaction

• Employed Razor Views for dynamic UI rendering

• Applied Repository Pattern for clean data access and separation of concerns

Education & Qualifications

Thebes Academy – Cairo, Egypt

Bachelor of Commerce, Marketing and E -Commerce Department

• Developed critical thinking and research skills through academic coursework

• Engaged in collaborative projects, fostering teamwork and presentation abilities

Graduated: May 2023 | Grade: Good

Military Service: Completed (2025 – March)
