Amr Ibrahim ElTanany

.NET Developer

📞 +201119708154 | 📐 Cairo / Abbasiya | 📧 Amr_ElTanany@Outlook.com | GitHub | LinkedIn | Portfolio

SUMMARY

Adaptable .NET Developer with hands-on experience gained through building multiple personal and academic projects. Learned to design and develop web and desktop applications using C#, ASP.NET, REST API, HTML, CSS, JavaScript and SQL Server. Applied OOP principles, clean code practices, and database integration while working on real-world inspired projects like E-Commerce and Management Systems. Recognized for teamwork, communication, and adaptability, with a strong commitment to continuous learning and problem-solving. Seeking an opportunity to grow and contribute to building impactful software solutions.

EDUCATION

Thebes Academy – Cairo, Egypt   **2019 – 2023**

Bachelor of Commerce, Marketing & E-Commerce Department

Graduated: May 2023 | GPA: 2.9 (Good)

Military Service: Completed (2025 – March)

TECHNICAL SKILLS

Languages: C#, HTML, CSS, JavaScript

Frameworks & Libraries: ASP.NET Core, WinForms, React, jQuery, Bootstrap, Tailwind CSS

Databases: SQL Server, MySQL

Tools: Git, GitHub, Visual Studio, VS Code

Concepts: OOP, REST APIs, MVC Architecture, Razor Views

PROJECTS

E-Commerce Website (MVC)

- Built a full-featured web app with user authentication and product management.

- applied registration, purchase process, and admin dashboard.

Contact Management System (WinForms)

- Developed a desktop CRUD app with search and filtering.

- Integrated SQL Server with ADO.NET for database operations.

Restaurant Management System (MVC)

- Created a system for menu, reservations, and orders.

- Applied Entity Framework Core and Repository Pattern for clean architecture.
